

International Mud Day

Friday 29th June is International Mud Day. International Mud Day aims to support children in connecting with God's natural world through play. During the day we will be able to appreciate nature and engage in our learning outside. The school's Talent Show and Chapel will also be held on this day so our mud day celebrations will work around these events.

Here is what you need to know:

When: Friday 29th June (rain or shine!)

What to wear and bring to school: the students need to wear old casual clothes to school and bring gumboots, a raincoat and some spare clothes so they can get changed for the end of the day. The students will be getting dirty. You may like to consider packing some spare towels to keep you and your car clean.

Some of the things we might be doing:

- Making waterways with pipes
- Hunting for worms, frogs and any other bugs
- Jumping in mud puddles
- Painting with mud
- Making mud pies and sandcastles in the mud kitchen
- Making an "off-road" course for some monster trucks

Please chat to us if you have any questions or concerns about the day.

Thank you,

Lisa and Mel
